

## **Instructions for Thesis/Dissertation DataSheet**

**Note:** This is a fillable form that eliminates the need to print-out and write-in your answers. You can simply fill-out the form electronically, and then print-out the results. This fillable capability however does not allow you to save the information that you have electronically filled-in.

1. Complete the form with your name as it appears on your Thesis or Dissertation.
2. Provide an abstract of your thesis/dissertation in the space provided or on an attached sheet, using no more than 150 words for a thesis and no more than 350 words for a dissertation.
3. Print and submit your data sheet to the UTA Graduate School office.

**Reminder:** Make sure you retain a copy for your records. Print the document and email, fax, mail, or bring it to the UT Arlington Graduate School office.
