Paul V. Chaplo, Marfa Flights: Aerial Views of Big Bend Country

December 4 at 7:30 p.m.

Central Library parlor

Free and open to the public

Take an unforgettable sky excursion over Big Bend with photographer Paul Chaplo as he captures the shapes, textures, and colors of the craggy, weathered landforms people usually see only from the ground—

and some places no photographer has gone before. Flying from Marfa, and hanging precariously from the open door of an aircraft, Chaplo shares a hawk's eye view of a fiercely beautiful region, revealing the stark and magnificent landscapes carved by the force of wind and water on the arid, mountainous country along the Rio Grande.

Holiday Hours

The Architecture and Fine Arts library and the Science and Engineering library will be closed December 19 and reopen January 4. All libraries will be closed on Christmas eve, Christmas Day, and New Years Day. Check our website for adjusted holiday hours. library.uta.edu
