## Week 8

03/03 - 03/09 (Tue, Thu)

### Peer review an article

Assignment - **Due:** 2019-03-15

Guiding framework

### Peer reviews are complete

Milestone

Every student has finished reviewing their assigned articles, making sure that every article has been reviewed.

### Respond to your peer review

Assignment - **Due:** 2019-03-18

You probably have some feedback from other students and possibly other Wikipedians. Consider their suggestions, decide whether it makes your work more accurate and complete, and edit your draft to make those changes.

Resources:

- [Editing Wikipedia](#), pages 12 and 14
- Reach out to your Wikipedia Expert if you have any questions.

## Week 9

03/10 - 03/16

No scheduled meetings this week

Now's the time to revisit your text and refine your work. You may do more research and find missing information; rewrite the lead section to represent all major points; reorganize the text to communicate the information better; or add images and other media.

# Week 11

03/24 - 03/28 (Tue, Thu)

## Polish your work

Assignment - **Due:** 2019-04-01

Continue to expand and improve your work, and format your article to match Wikipedia's tone and standards. Remember to contact your Wikipedia Expert at any time if you need further help!

## Final article

Assignment - **Due:** 2019-04-01

It's the final week to develop your article.

- Read [Editing Wikipedia](#) page 15 to review a final check-list before completing your assignment.
- Don't forget that you can ask for help from your Wikipedia Expert at any time!

## You've finished your Wikipedia assignment!

Milestone

Everyone should have finished all of the work they'll do on Wikipedia, and be ready for grading.
