## *Dedication*

To you who have sacrificed many personal desires and inclinations in aiding the educational advancement of our school,

To you who have unerringly pursued the goals and aims set up as ideal standards for students,

To you who have fought and still do fight for the preservation of the almost sacred "AGGIE SPIRIT,"

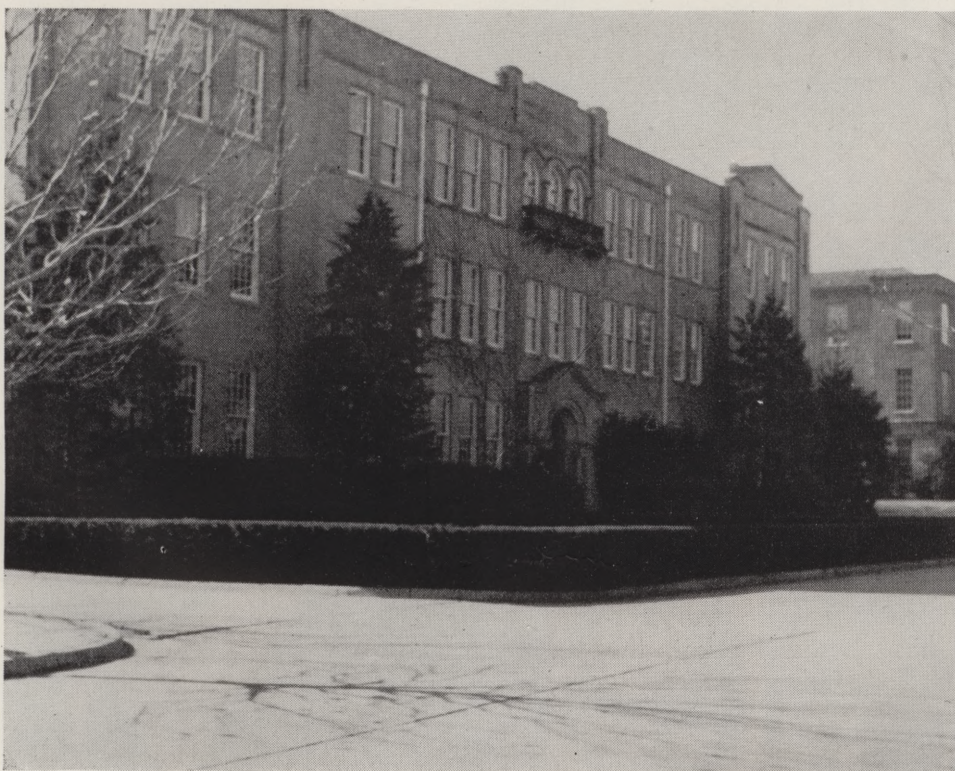

To you, the student body, this annual is affectionately dedicated.

#### PRESIDENT GIBB GILCHRIST

The Junior Aggie takes pleasure in introducing to the student body of N. T. A. C. its new president, Gibb Gilchrist.

President Gilchrist was Dean of the school of engineering at A. & M. prior to becoming president. He is nationally known as an engineer and administrator.

#### DEAN E. E. DAVIS

As dean of N. T. A. C. for the last two decades, Dean Davis has always shown zealous interest in the many activities of the student body.

With his rollicking Western humor, he has endeared himself to every student who has passed through the portals of N. T. A. C.

## PRESIDENT

ISAAC DOLEN has distinguished himself as one of the most well-rounded students on the campus. Lieutenant Colonel and Who's Who in R.O.T.C., King of the Student Body, and President of the Officer's Club, as well as president of the Sophomore Class, he has many accomplishments. "Ike," as he is called, will not soon be forgotten by his many friends at N.T.A.C.

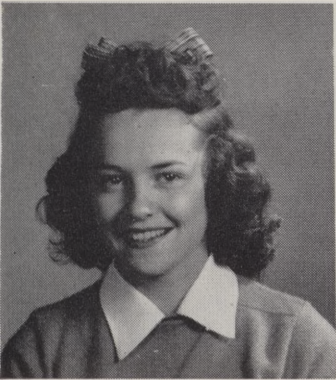

## SECRETARY

GLORIA HALE, black haired, blue eyed Home Economics major from Fort Worth, and runner-up for Queen, makes her Arlington home at Capps House. Gloria's main interests are the Sans Souci Club and good food. After leaving N-tac, she plans to enter Texas Tech at Lubbock to complete her education.

## VICE-PRESIDENT

PICKARD WAGNER, V-12 student from Baird, Texas, has made a great number of friends since coming to N.T.A.C. Although "Pic" is an Ex-Texas U. student, he has been active in all Aggies activities—social and scholastic. His interest in political activities of the school should prove beneficial to his chosen career in the Diplomatic Service after the war.

# JUNIOR AGGIE

## *of 1945*

We, the members of the staff, take great pleasure in presenting to the student body of N.T.A.C. the 1945 edition of the JUNIOR AGGIE.

Government rationing of paper caused this year's war-time annual to be smaller than those of previous years, but, despite that, every popular feature has been included and, in some cases, enlarged upon.

No doubt, at times, the student body must have thought that the yearbook would never be started, never sent to press, or never received, but at last, here it is.

We hope it pleases you, the students, to whom it is dedicated, and in spite of almost insurmountable difficulties we have made that our goal.

The enjoyable task that we started last fall is now completed, and we wish to thank each and every one who has cooperated so patiently and willingly from the beginning to the end.

# OFFICERS CLUB

On receiving his commission, each cadet officer becomes a member of this organization. These boys are leaders of the cadet corps, and consequently are responsible for the maintenance of discipline and general well-being of the cadets.

The annual Officers' Ball, one of the important school events, was held this year at the Casino in Fort Worth.

## FAVORITE — "Merle Girl"

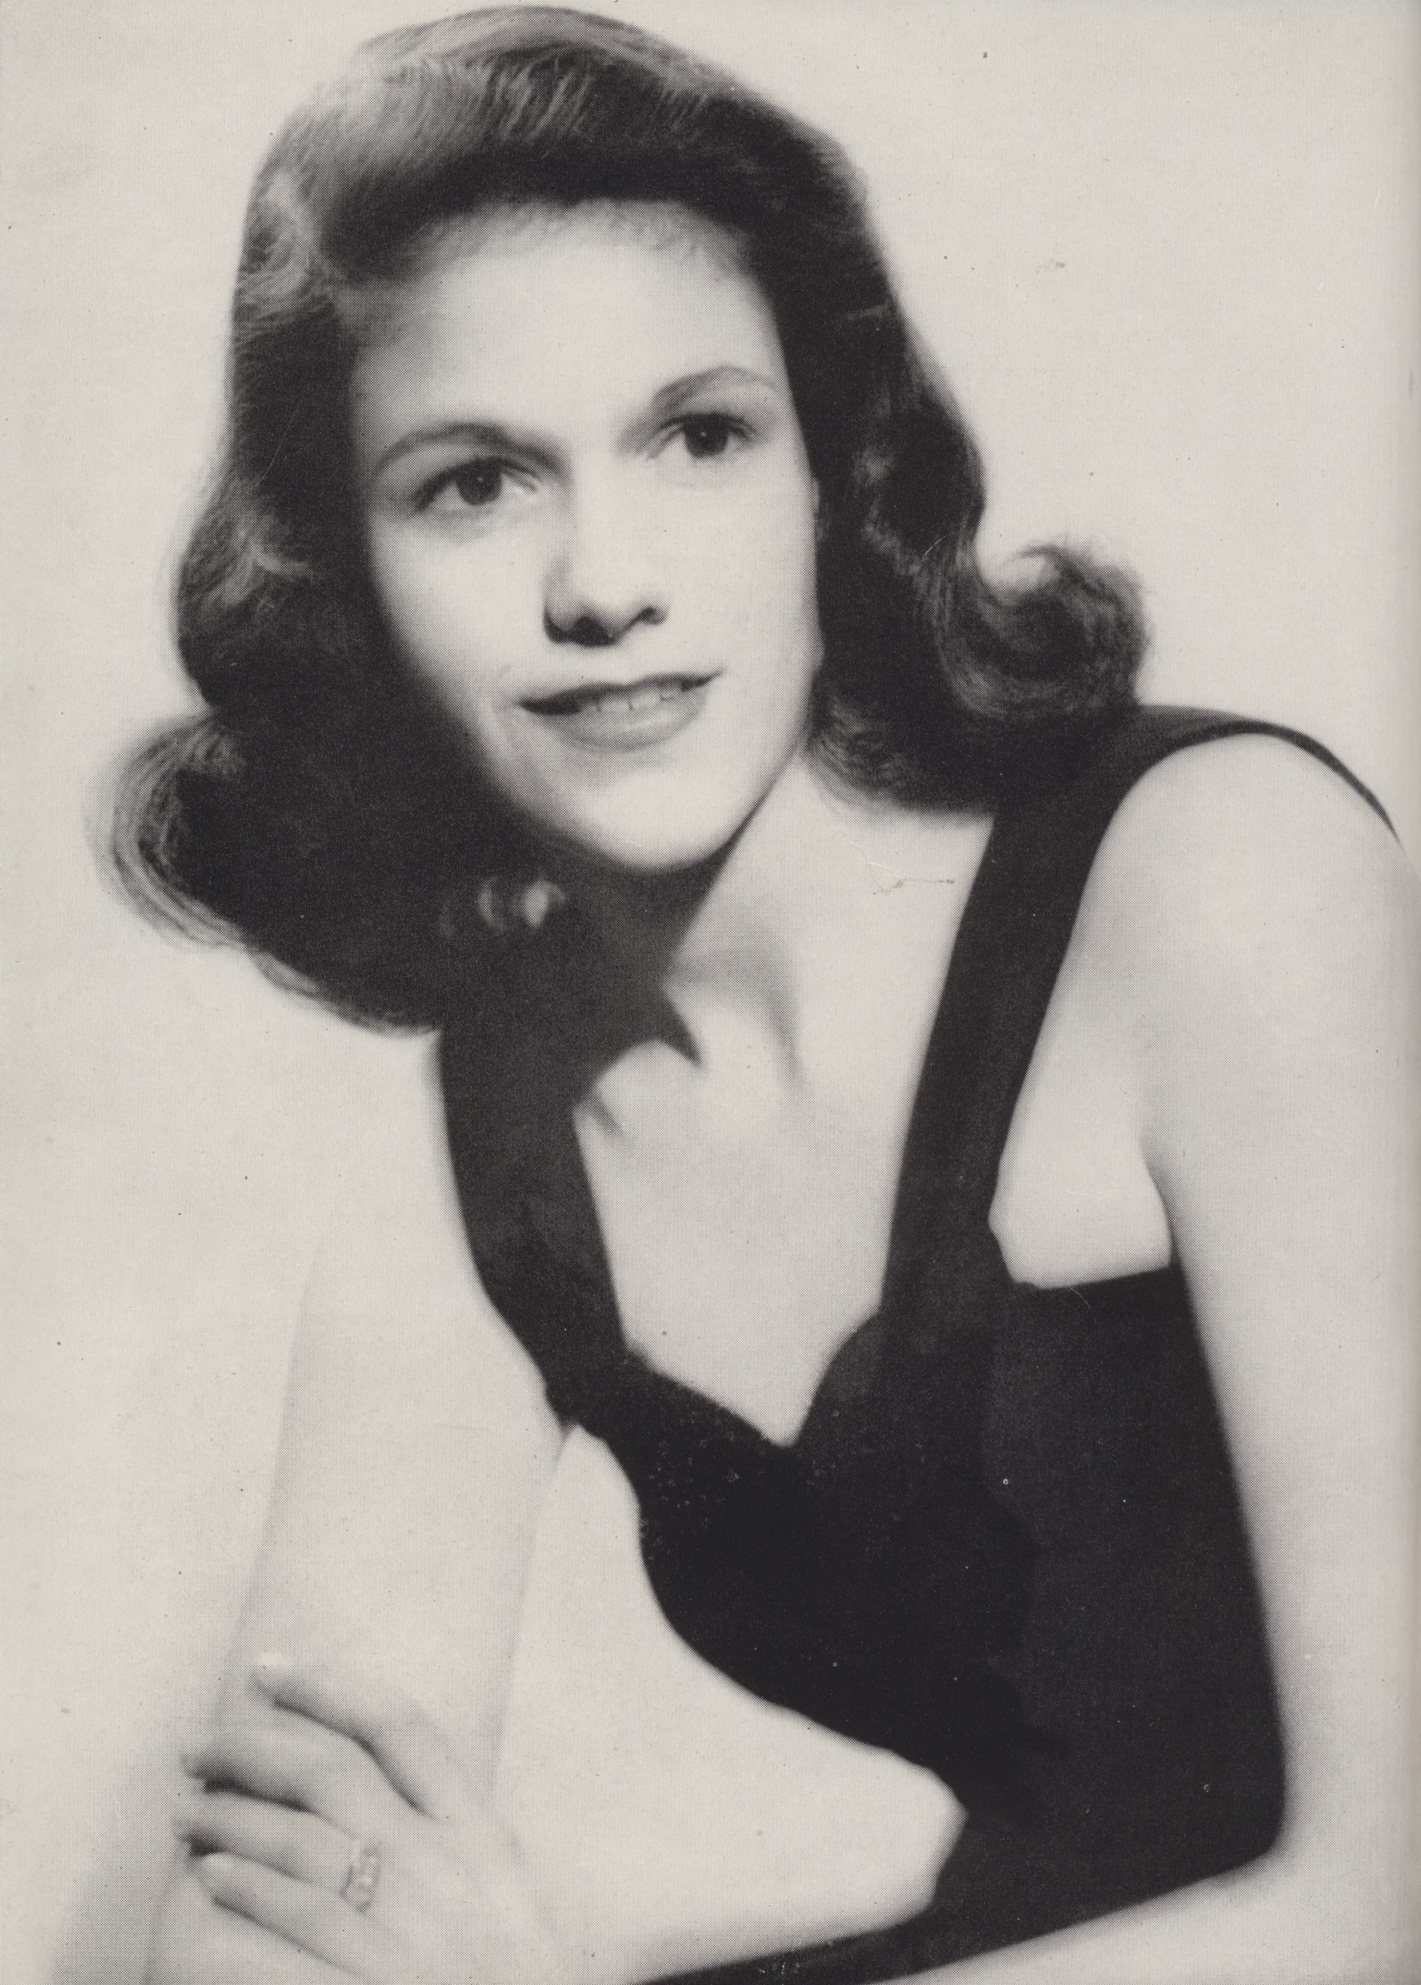

MERLE WILLIAMSON comes from Poly High in Fort Worth. She entered N-tac in January 1944 and since that time her popularity has steadily zoomed upward. She made a wonderful cheer-leader for that "fightin' Aggie team" and is likely to come through at any time with "Beat J-tac" rather than "Hello."

Merle, with blonde hair and twinkling blue eyes is a person who makes one feel better just for having known her. She is the pride of both the Aggies and the coeds.

She is a Foreign Language major and hopes some day to enter the Diplomatic Service as a translator.

Merle says that Capps House is "tops" and Sans Souci, of which she is vice-president, the best club.

## FAVORITE — Jenny

JENNY DICKSON, a speech major from Terrell hit the campus with a bang last September. Since that time she has been an all-round girl of N-tac. She lives at Meir House and beams proudly when the Sans Souci Club is mentioned. She was a princess of N-tac's royal family of 1944-45.

Jenny has long black hair and big brown eyes that can say any and everything. She is loved by everyone for her friendly, sincere manner. Because of these characteristics and many others Jenny will continue next year and in the years to follow to be everybody's favorite.

## FAVORITE — Jean

JEAN SANDERFUR, secretary of the Sans Souci, has been for two years one of the most sought after girls on the N.T.A.C. campus. She was elected last year as runner up for favorite and princess in the coronation.

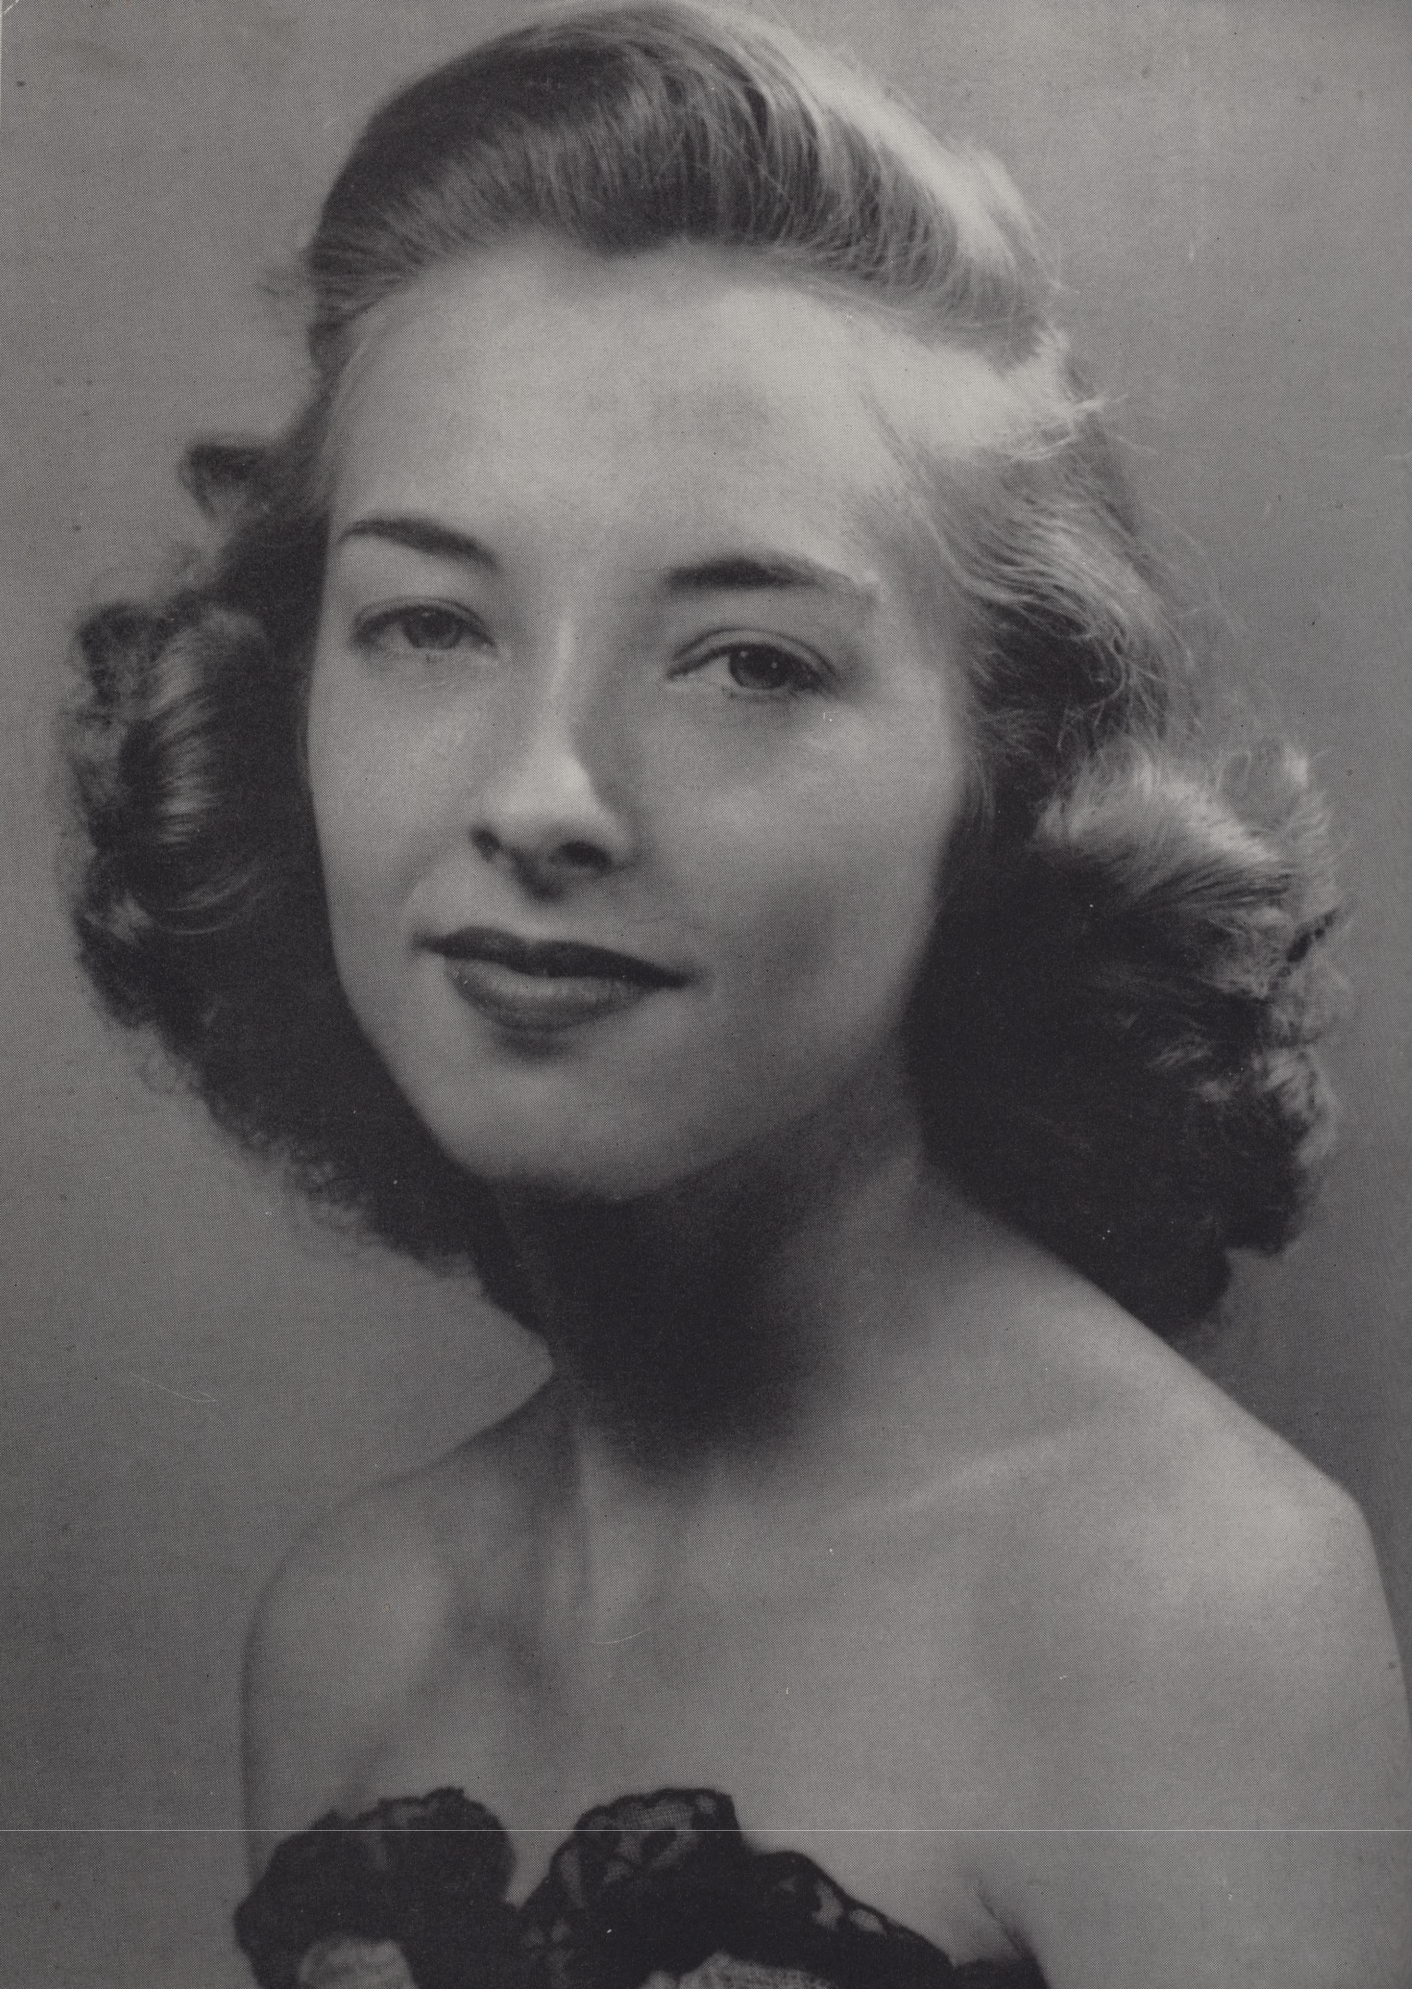

Jean, as a P. E. major, is quite active in all types of sports. She will enter Texas Tech next year to complete her degree.

With short blond hair and big blue eyes plus a knock-out personality, Jean is the life of every party. She is noted for her unusual laugh and ready smile.

She is known to be one of the best dressed girls on the campus. She lives at Capps House. And, incidentally, her favorite pastime is worrying.

## FAVORITE — “the BABY”

BILLIE SUE HORN, president of the Sans Souci Club, came to N.T.A.C. from Sunset High School, Dallas, in the fall of 1943. She names Capps House as the best.

Billie Sue, better known as “the baby,” measures four feet and nine inches and tips the scales at seventy-five pounds. She buys her clothes at the children's shops, but, nevertheless, she leads the fashion parade.

In addition to looking after her thirty-three “Souci Children,” Billie Sue is also very efficient in her duties as Shorthorn reporter. She is Secretary of the Student-Faculty Committee.

Upon meeting Billie Sue everyone is instantly attracted and as the acquaintance grows this attraction grows into respect, admiration and love for her. No one ever attempts to compete with her for the position as the most outstanding figure on the campus. Long after she has gone her name will be remembered in the history of N.T.A.C.

Despite wartime restrictions N. T. A. C. has had a successful year of competitive sports. Both the football and basketball teams, composed almost exclusively of Naval personnel stationed here, have kept alive the spirit and sportsmanship that characterize N. T. A. C. teams.

The football team defeated the only two teams in their class that they played last season. The other games were against rampaging senior colleges and some of the strongest Army teams in the nation.

The basketball team has done exceptionally well by making an excellent showing against the strong teams in the Fort Worth City League and by completely outclassing all the Junior college teams it has played. The team walked away with the Ranger Invitation Junior College Meet, and, like the football team, decisively defeated the Plowboys from J. T. A. C.

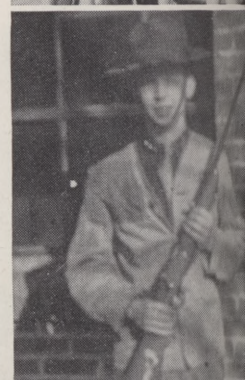

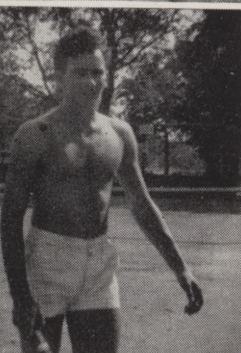

The members of the boxing team made very good showings against all their competitors this year. The boys displayed a fine array of talent and sportsmanship in their bouts in the Golden Gloves Tournament.

The track and golf teams participated in the annual meet held at the Fat Stock Show. A new record was set in track by one of the runners, and the golf team returned with two second places.

The boys rifle team helped keep our record against J. T. A. C. intact this year when they defeated the Plowboys in a thrilling match.

Intramural sports have flourished this year, both in the Navy and the Cadet Corps, and some outstanding playing has been done.

As this goes to press the baseball diamond and the tennis courts are the scenes of great activity, and prospects are good for a well-rounded season in both sports.

J. H. FOWLER, Manager

My girl wears a toupee. A toupee is a wig. Whig is the name of a political party. Politics is a dirty business. You ought to see my girl.

Here's to the girl who doesn't smoke,  
And never takes a drink,  
A girl who knows no risqué jokes,  
And from flirting surely shrinks.  
I really know a girl like this,  
And she never stays out late.  
She's oh so sweet and innocent,  
But give her time—she's only eight.

Two girls were discussing their dates of the previous evening.

First girl: "My date wasn't so bad, except he was kind of trying at times."

Second girl: "That's nothing, my date was trying all the time."
