campus life...

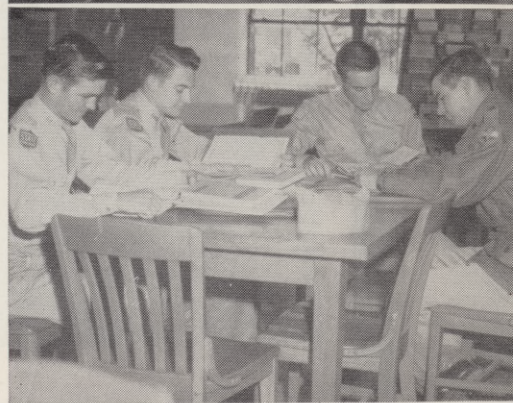

People from every walk of life gather on the campus of ASC, working together toward a common goal. Petty differences and prejudices are forgotten here; and each student becomes a member of the Rebel family, and must share the responsibility of holding high the spirit left by the last Rebel family.

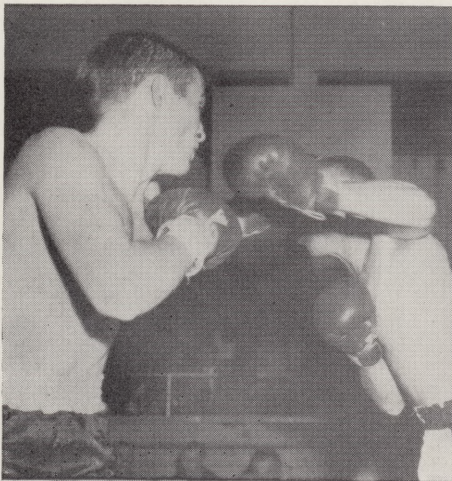

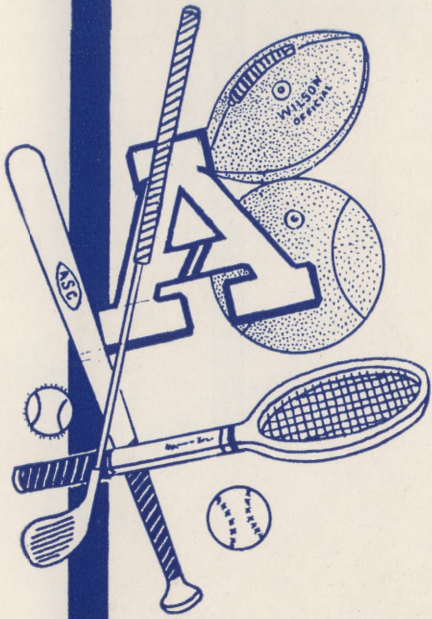

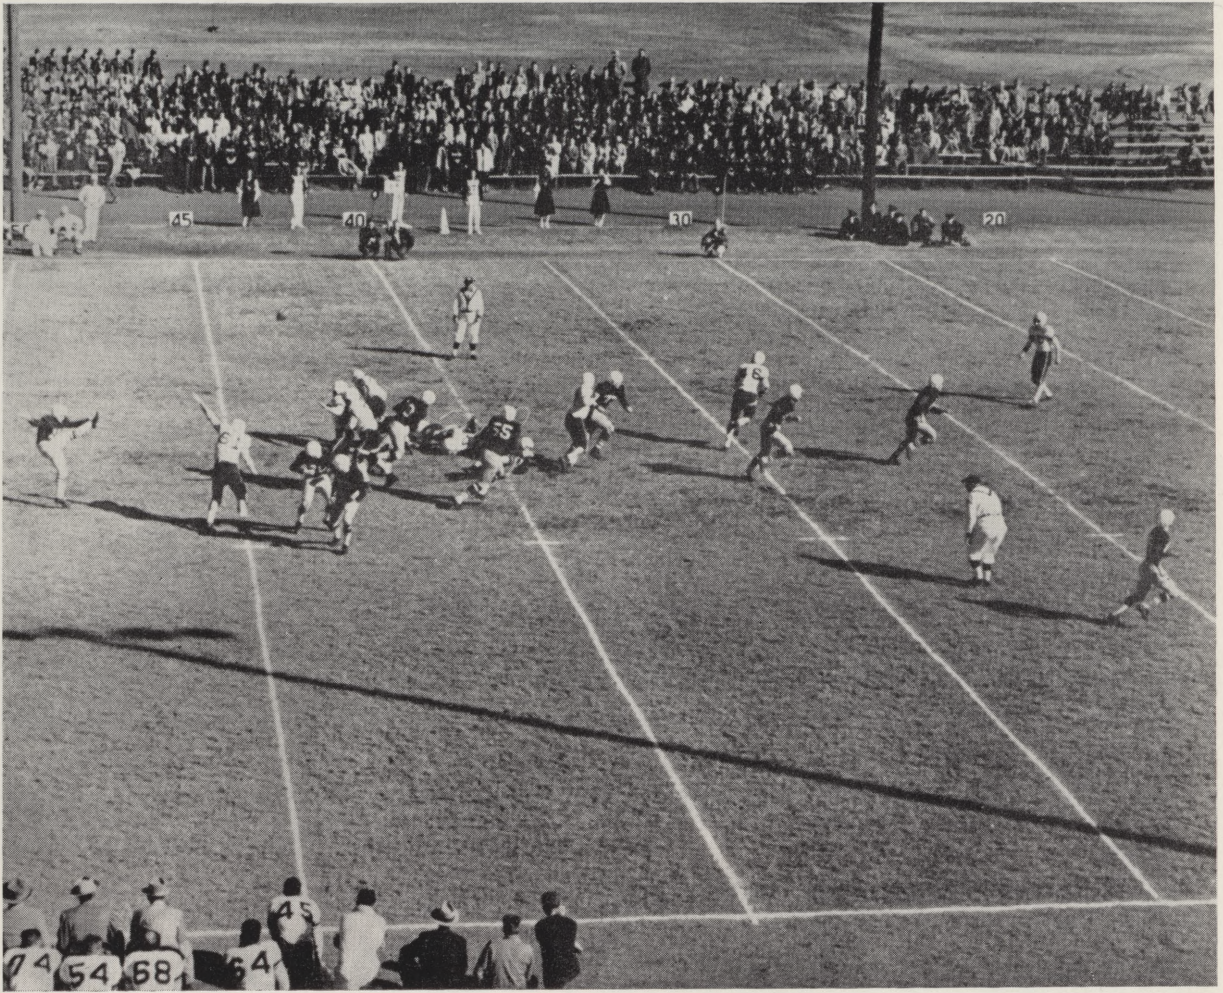

arlington . . .

A theme of FRIENDSHIP prevails at ASC. There can be no such thing as loneliness or homesickness on a campus such as ours. A typical ASC student is loyal, industrious, considerate, and courteous.

rebel sports...

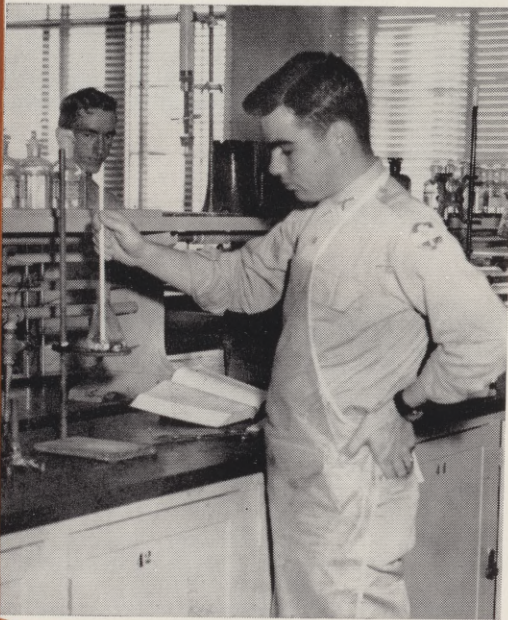

As in any college, sports events are looked forward to by all at ASC. Football, basketball, track, golf, and tennis each share a part of the well-rounded athletic program. Those in the stands as well as those on the field have done their part in building up the spirit of ASC; each has contributed in attaining the goal which we have achieved.

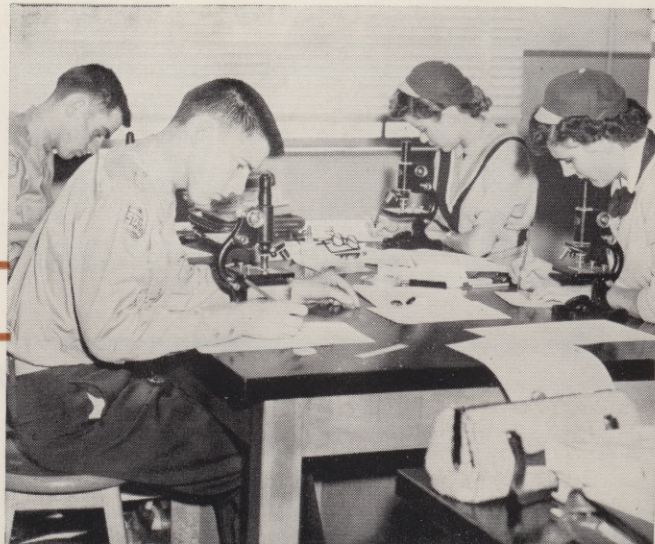

classes...

labs...

In the classrooms and in labs, ASC students strive for leadership in the field of knowledge. They are eager to learn and are willing to work in order to assure themselves that they will be prepared for whatever the future may bring.

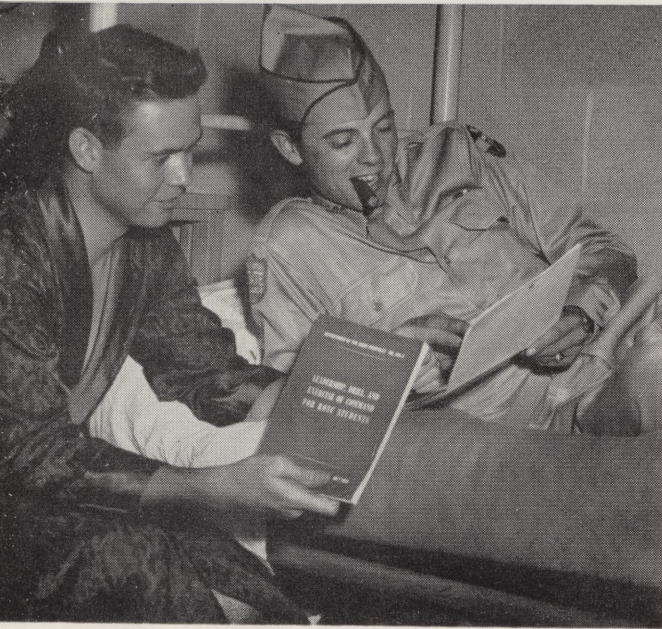

and in the field...

A major portion of Arlington State students are engineering students. They learn by field trips of all kinds the various phases of engineering that will be so important to them in the years to come. Their tedious studies and deserving attitude will justly reward them.

dorm life...

Strictly military

Must be interesting

Telephone calls, dates, gossip sessions, swapping clothes, water fights in the halls, the porch light — all of these will bring back memories to the girls from the dorms. There are many things that could be said about life in a girls' dorm; but whatever is to be said, let it be said that life in the ASC girls' dorms is not dull . . .

Getting ready for inspection

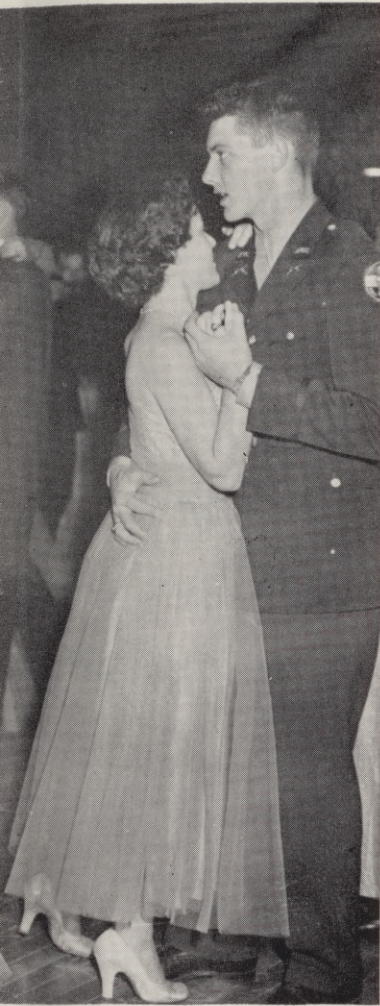

Boys' dorms are run in a military fashion. Cadets learn to live in harmony with the other cadets. 6 o'clock call, CQ, women discussions, the ever-popular practical joke, and lights out will remain a part of a Cadet's memories of ASC.

social life...

All work and no play makes John a dull boy! Arlington State is proud of its well rounded social program. The Freshman Mixer introduces all the new students; after that they're on their own. The Fall and Spring Military Balls, the Christmas Formal, TWIRP Week, Pachl dances, and the Inter-Club Council Final Formal are but part of the active ASC social season.

'54 reveille

As the year draws to a close, and the time comes closer when we think of leaving Arlington, we cannot help but look back on all the wonderful times we have had here. The football games, Pacht Dances, dances in the Student Union Building, cokes at the shorthorn, classes, hours of study, and all the parties will only be a memory.

As editor of the Reveille, I have tried to record some of these events. Someday when you are old and gray, you will take this volume down off the shelf and reminisce . . . my hope is that you will look back with pleasure on your 1953-54 year at ASC.

On behalf of the staff, I wish to thank the faculty and students who have helped us in so many ways. It is through their cooperation that this book is possible.

dedication . . .

dedicated to the memory of Charles B. McDonald

Of the fine teachers that have been at Arlington State College, none combined more perfectly than Professor Charles B. McDonald of the Chemistry Department the rare talents to be both popular and competent.

When he was a student here in 1923-1925, he was not only a leader in campus activities, but also the valedictorian of the senior class.

After graduating from Baylor University, Professor McDonald joined the college faculty in 1927 and taught here continuously until his death on March 2, 1954. During the years of World War II he acted as Head of the Chemistry Department.

The hundreds of students who have sat in Professor McDonald's classes and worked with him in his laboratory have been impressed with his never failing patience, his understanding of the problems of youth, and his unexcelled ability to relieve tension by comical observations. His value as a teacher can be approximated by the fact that many of his ex-students who are now professional chemists rate Professor McDonald the best science teacher they ever had.

His faculty associates also are proud of the friendship they had with him and considered him to be the ideal fishing companion—honorable, tolerant, and witty, as all good fishermen should be.

Thus in recognition of his outstanding contributions to the welfare of the college for 27 years, this edition of "The 1954 Reveille" is dedicated to the memory of this splendid gentleman and teacher.

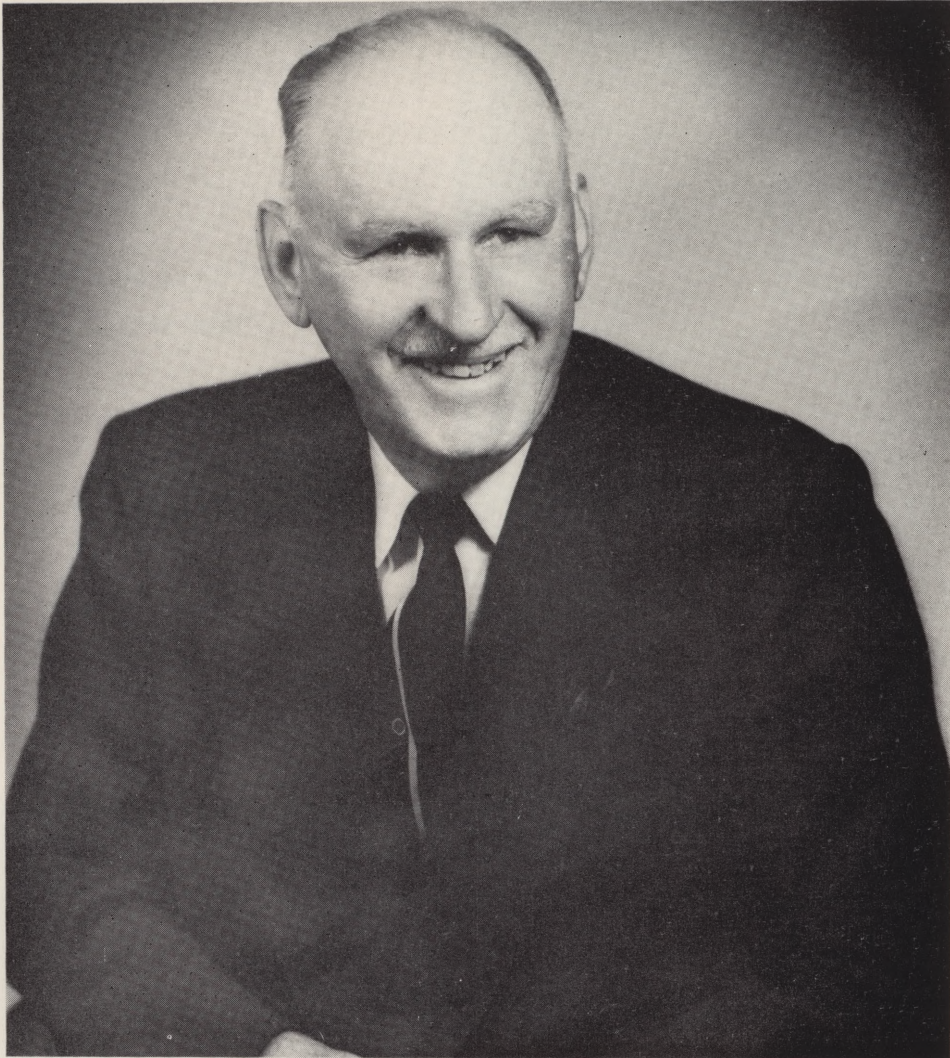

chancellor . . .

MARION T. HARRINGTON

“With the constant growth of heavy industry and population in the Fort Worth - Dallas area, Arlington State College is becoming an increasingly important part of the Texas A. and M. College System. We are proud of the way in which the students, faculty, and administration of Arlington State College have worked together to maintain the high quality of the school, so that its growth will be sound. The excellent record of Arlington’s graduates throughout its area is proof of your success.”

president . . .

E. H. HEREFORD

“The Editor and the Staff of the 1953-54 Reveille have done an outstanding job in interpreting and portraying the life at Arlington State College. Every phase of student life has been depicted attractively and in an interesting manner. I am sure that those who are members of the student body this year, as well as the many friends of the Institution, will receive the book with enthusiasm and treasure it in the years to come.

May I add my personal and official appreciation and thanks for a job well done.”

Powers behind the Powers that were . . . Coaches Cheena Gilstrap, who piloted the Rebels to their second straight Pioneer Conference crown in his first year as head coach at ASC, Tommy Tinker, whose tutoring of the Rebel backfield and ends resulted in an offensive team second to none in the conference and few in the state, and Burley Bear-den, line coach, whose charges formed one of the best lines ever to take the field for Arlington.

pioneer conference champs

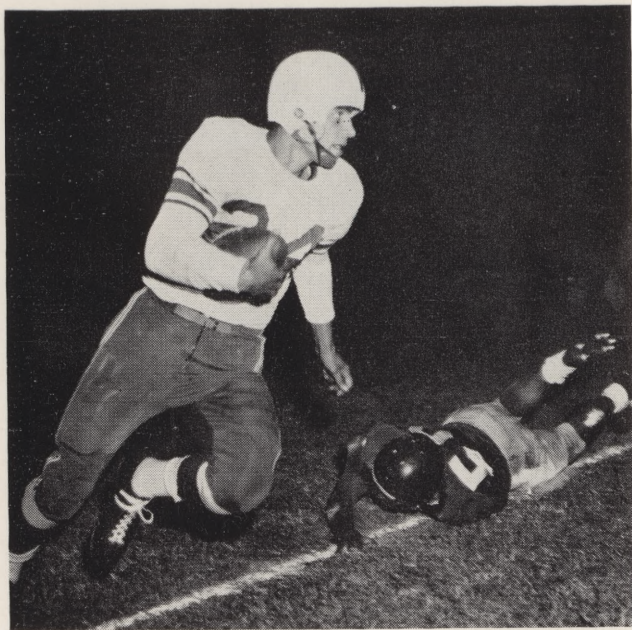

Win was the word; and win they did. The 1953 football season was one to be remembered in Rebel Land. The great eleven posted an eight won and one lost record to win the Pioneer Conference for the second straight year.

This band of football players teamed to give ASC one of its greatest teams.

Left to right they are, first row: Raford Brister, Chapman, Pollard, Vavra, Bond, Bernie Cook, Hernandez, Howard, Wright, Fred Cook, Ted Vickers, and Marshall. Second row: Trainer Bobby Lane, Clark, Ernst, Kirkland, Shuster, Johnson, Coble, Garner, Caldwell, Wilson, Seward, and Barnett. Third row: Pop Matlock, equipment, Carroll Brister, True, Lakey, Kopp, Strickland, Symank, Hill, Jacobson, Sims, and Greenlee. Fourth row: Dean Wilson, manager, McKinney, Gilmer, Kinchen, Polk, Baldwin, Levene Hughes, McMasters, Pat Hughes, Pressley, Myers and Gary Gandy, manager. After this picture was taken several of these boys were either sidelined by injuries or withdrew from the squad. However, this is the squad roster as it was taken in September. Not pictured are Ron Luther and Bill Counts.

Rebel banners rode high and the Silver Bugle of the Confederacy sounded loudly as ASC athletes continued their dominance of Pioneer Conference junior colleges.

The climax was reached November 20, when the Reb eleven met and whipped their arch enemies, Tarleton, for the loop crown, the Silver Bugle, and the swan song of the finest

football team ever to wear the Blue and White spangles.

The Plowboy clash was almost anti-climatic after some of the thrillers the Confederates went through this year. After a surprising win over the highly rated Wharton eleven, the Rebels roared through more and tougher competition losing only once, and then to Kilgore. This record gained ASC the rating of the second best junior college team in Texas.

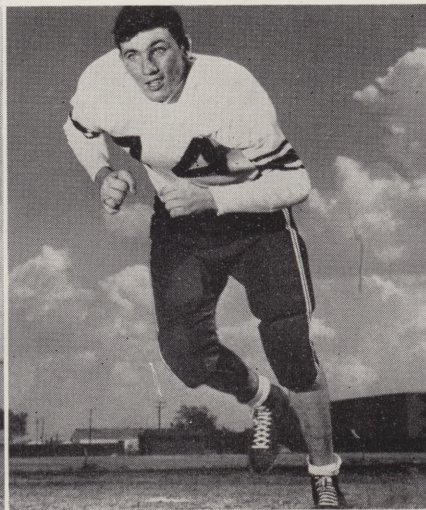

Good football teams usually mean one thing—good football material; and the Rebels had an abundance of such material. Such abundance was evident in the placing of five Rebels on the Dallas Morning News All-State Team. Earning this honor were Johnny Symank, back, Ron Luther, guard, Bill Counts, tackle, Curtis True, center, and Fred Cook, end. The naming of these men was but fitting tribute to the glory that was well earned.

The Rambling Rebs established themselves as definite title threats by taking a solid 28-7 win from the San Angelo Rams. The Rebels

were never behind, although a light but effective Ram line held them in check for a quarter and a half. Again it was the destructive combination of line and backfield that gave the Confederates victory in this important clash.

The second Reb tally was one of spectacular and somewhat surprising brilliance. Reb center, Curtis True, who played a magnificent game,

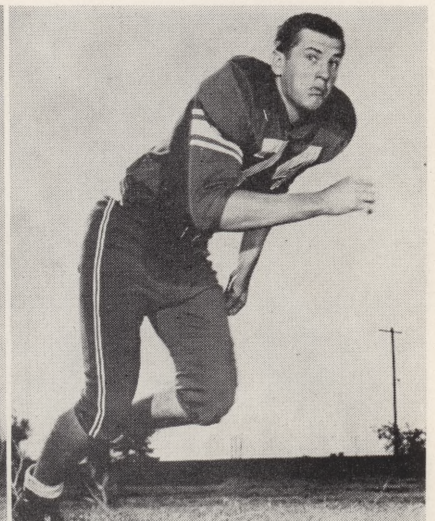

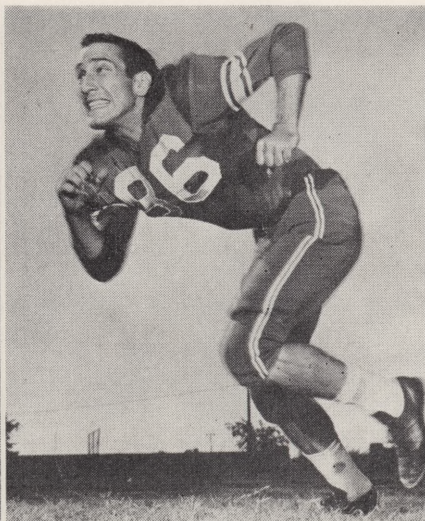

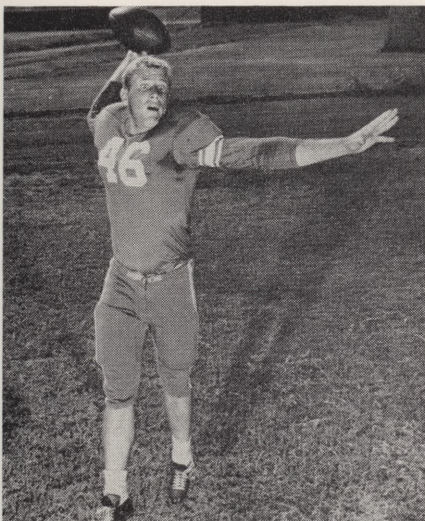

intercepted a Ram aerial and raced straight up the middle, backed by good blocking, for an 85-yard touchdown run. Charlie Marshall added the extra point.

Johnny Symank, freshman speedster, was the leading ground gainer for the night with an average of 21.6 yards per carry. Symank carried the ball downfield to the Ram 11-yard

line, from which point Ronald Bond went over for the third score.

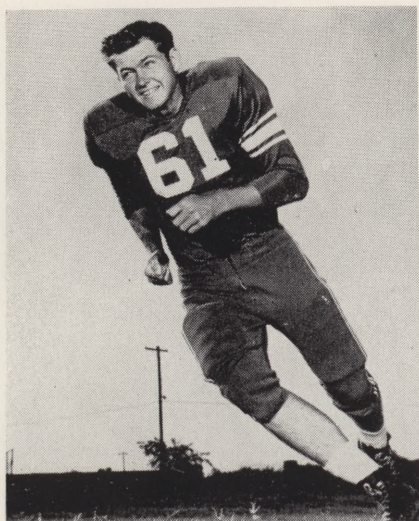

The last score came in the fading minutes of the game. Marshall went over, then added the point. For the Rebs on the line, Luther, Wright, and Counts stood out along with True.

Kilgore, our only defeater, capitalized on a

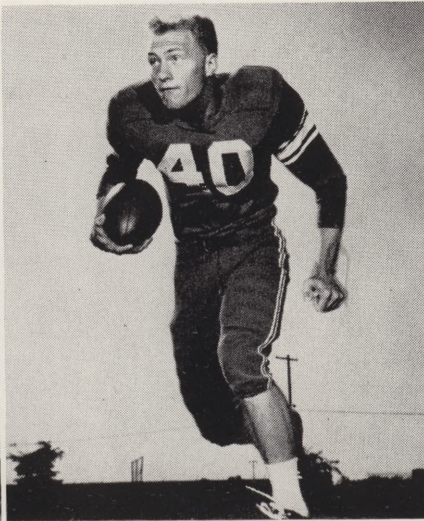

weak Rebel pass defense to score four times through the air. Two of the touchdown passes were of the freak variety, both coming on near impossible catches.

The Rebels took an early lead in the initial quarter when Sam Howard guided his team downfield and plunged over from the one. The play was set up on a recovered fumble by Cur-

tis True, who once again played an outstanding game for the Blue and White.

Kilgore simply had its Christmas early at the expense of ASC.

ASC triumphed over Schreiner, one of the toughest defensive teams in the state, 14-2, for their first conference win.

The Rebs trailed 2-0 for three quarters after an early safety by the Mountaineers who caught Randy Garner trying to sneak out of the end zone.

Johnny Symank emerged as the most potent runner of the game for the Rebels by setting up and scoring the first touchdown and by intercepting a pass that gave the Rebs the ball on the Schreiner 42 from which point Sam Howard passed for the second tally. Symank circled end for 59 yards to travel to the visitors' 16-yard line. Three plays later he went over for the first score. Vavra added the extra point. Symank, Garner, Counts, Luther, True and Wright were standouts for ASC.

Everyone wants to get in the act!

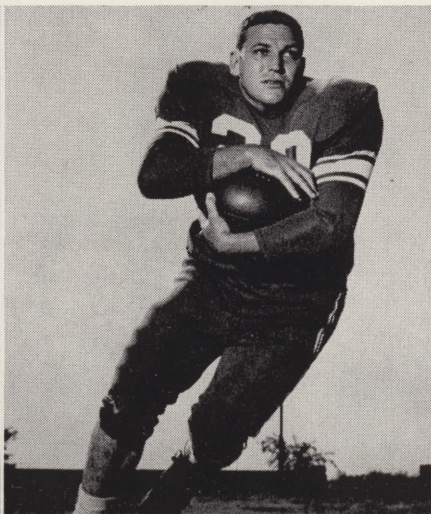

The Rebels played their best game of the season against their toughest opponent and won easily over the visiting Vikings from Del Mar 30-7.

In displaying precision football from start to finish, the Rebs took an early first quarter lead and never were pushed. Del Mar counted its lone tally in the final thirty seconds of play on a 60-yard pass that came on the heels of the final Arlington score.

Vavra stirs up dust around end

Prior to this game the Vikings had been ranked as the top team in the state on the basis of their earlier victory over Tyler's Apaches.

From the ASC viewpoint, the game was perfect. The blocking was deadly, the tackling

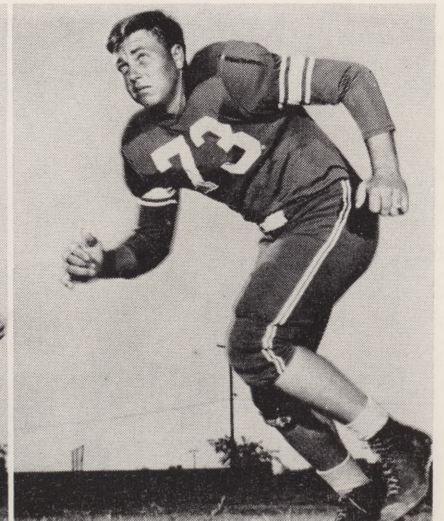

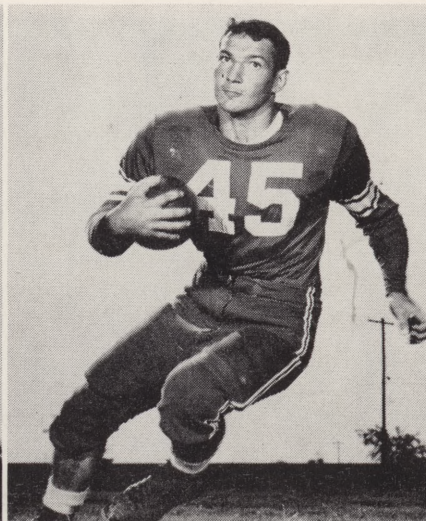

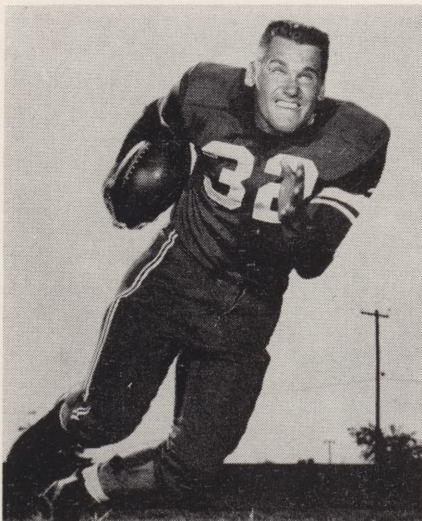

punishing, and the running inspired. Del Mar could do little but sit and watch as the Rebs ran around, through and over their weak defense. The Rebels scored twice in the first quarter, once on the first play from scrimmage on a 22-yard pass from Sam Howard to Hollis Pollard. Vavra added both extra points.

The Rebels resumed their scoring in the third quarter when a recovered fumble by W. N. McKinney gave Arlington the ball on the Viking nine. Two plays later Howard pitched to Fred Cook for the score. Again Vavra added the point. The Blue and White found paydirt again when Vavra kicked a 20-yard field goal

from a difficult angle to give the Rebs a lead of 24-0 at the end of the third quarter.

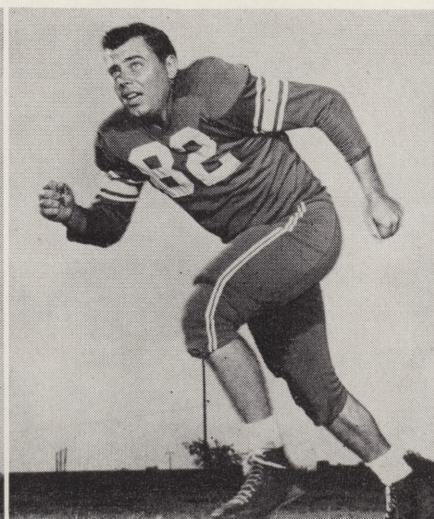

The final tally for the Rebels came in the fading minutes of the game when fullback Ronald Bond got loose on a 35-yard jaunt that

carried him deep into Viking territory before he was downed. Two plays later, Symank slipped off tackle for 24 yards and the score. The point try was no good. Sam Howard, Fred Cook, Bernie Cook, Ken Vavra, and Johnny Symank stood out offensively; Weldon Wright,

Bill Counts, Ron Luther, Curtis True, and Gus Hernandez led the Rebel line.

ASC proved its claim to the conference championship by winning easily over the Plowboys from John Tarleton 14-0.

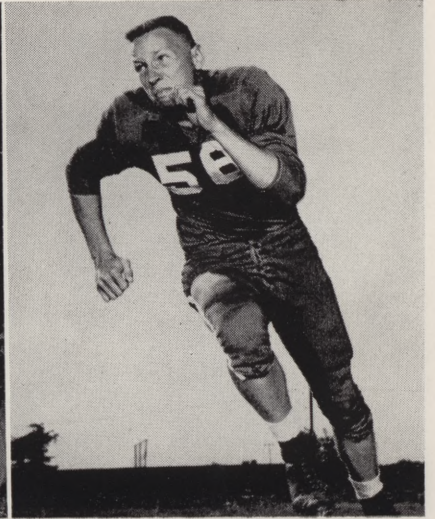

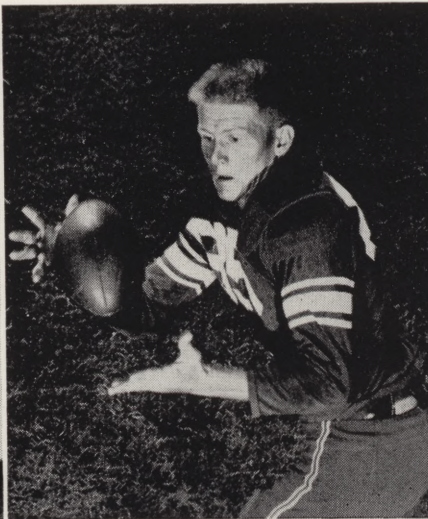

Tarleton never seriously threatened and the hard charging Rebel line opened big holes for a bevy of lightning-fast backs, who gained around end, through the middle, and in the air.

Both of the Reb touchdowns came suddenly,

with killing efficiency. The first was scored just before half-time. The score was set up on a pass play from Sam Howard to Fred Cook. Fred went up with four defenders and came down with the ball. Several plays later, Howard dropped back, eluded several oncoming linemen, and let go with a towering pass which was caught by Fred Cook at the edge of the end zone. Cook stepped over for the score. The point try was good.

The Rebels added their second score in the final half when some heads-up play by Carroll

ful seasons in ASC history, and made ASC Homecomers proud to have been a part of ASC.

And so another chapter in football is closed here at ASC. Already we are looking forward

to the next year, and the next, and the next. With the fighting spirit, good sportsmanship, and teamwork of past teams ever in mind, the teams of the future will have something to look up to and work for. Good luck to them; may every year be a successful one at ASC.

basketball..

The fickle and sometimes impartial finger of fate finally overcame the Rebel basketballers and stalled them in their bid for a third successful season and a third Pioneer Conference championship. They didn't fall easily.

Despite the fact that the Rebels boasted four returning lettermen, including all-conference Kermit Allen and Charles Steele, the roundballers were sure to feel the loss of the experienced hands that held the reins last year and the year before when it was all ours.

Such was the case, and the Rebs had to take it and revive the cry, "Wait till next year!"

Members of the 1954 ASC Basketball team are:

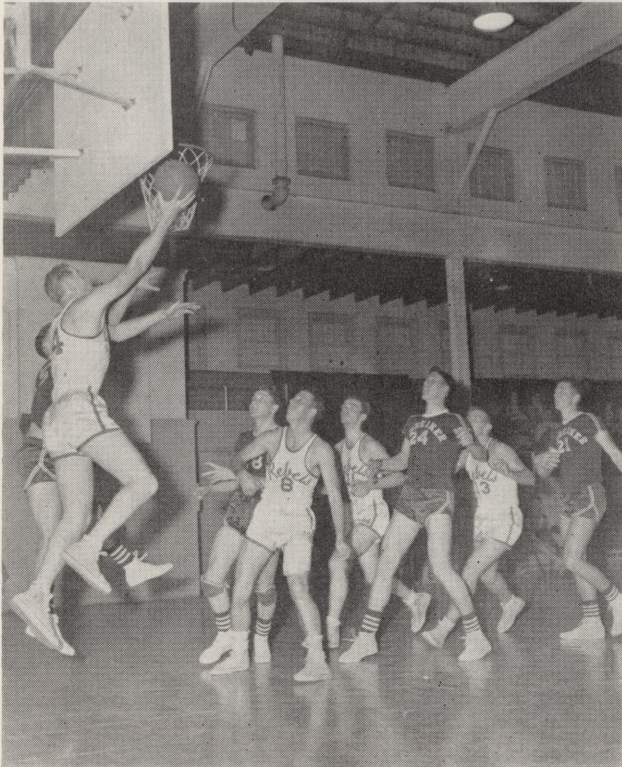

Row 1: Roy Kruger, Gayle Braesick, Rex Pollard, Larry Conoway, Ronny Pipes, Don Durham.

Row 2: Weldon Wright, Mikey Lee, James Morris, Randy Garner, Daryl Brock, Kermit Allen, Joe Smith, Coach Tommy Tinker.

Row 3: Sam Howard, Jack Whitworth, Kurt Meyer, Nils Rutherford, Charles Steels, George Shanz, Bob Baldwin.

PROFESSOR W. A. RANSOM

JANUARY 21, 1891 - JANUARY 5, 1954

Head of the English Department of Arlington State College from 1919 to 1954

When Professor Ransom came to the college thirty-five years ago, he *was* the the English Department—the sole instructor—and in addition he was coach of dramatics, oratory, debating, and basketball. He was also sponsor of the college newspaper and publicity director of the institution.

From the beginning he was thorough in his teaching, and his standards challenged his students to put forth their very best efforts if they wished to make respectable grades.

In the early days his students, recognizing his initials W. A. R., nicknamed him "War" and the tag did not displease him. For he was in truth a brave and undefeated warrior, and he challenged ignorance and laziness to the last second of his life. Only a few minutes before he died, he rose from his bed to grade a set of papers. Death came to him before he could reach his desk.

Yet, as those who knew him will understand, he was not wholly the exacting taskmaster. He often strolled down the halls singing, and he loved good jokes and hearty laughter. With those who exhibited effort he had long patience, and with his friends he was kind, loyal, and sympathetic.

It is not given to us to understand why this great teacher should be taken from the college before the age of his retirement. But the designs of providence are inscrutable. It may be that there is a need of good teachers in the celestial regions where so many young men who have died for their country have gone. If that is true, then it is entirely fitting that at this time, with his pencils in his pocket and his papers under his arm, Professor Ransom has reported for duty on the campus of the College at the end of the World.

A school is made up of ORGANIZATIONS. Organizations at ASC consist of the Choir, Band, Student Committees, Reveille, Shorthorn, and Little Theatre.

No college can be a good college without its ORGANIZATIONS.

student faculty comm.

The Student Faculty Committee is composed of two girls and five boys, elected by the students in the first election of the fall semester. Each student must have high scholastic averages and they must maintain them throughout the school year.

The Student Faculty Committee settles differences between students and faculty members and helps make student-teacher relations better. They assist the Student Election Committee during school elections.

student election comm.

The Student Election Committee, composed of six girls and ten boys, is appointed by the Dean of Women and the Commandant and approved by the President of the College. Basic requirement is presence on the honor roll for the spring semester for the preceding school year.

This committee meets before every election to discuss the rules and regulations and set the date and place for all student elections.

It is the duty of the members of this organization to keep the polls and count votes after each election.

Arlington State Band Girls

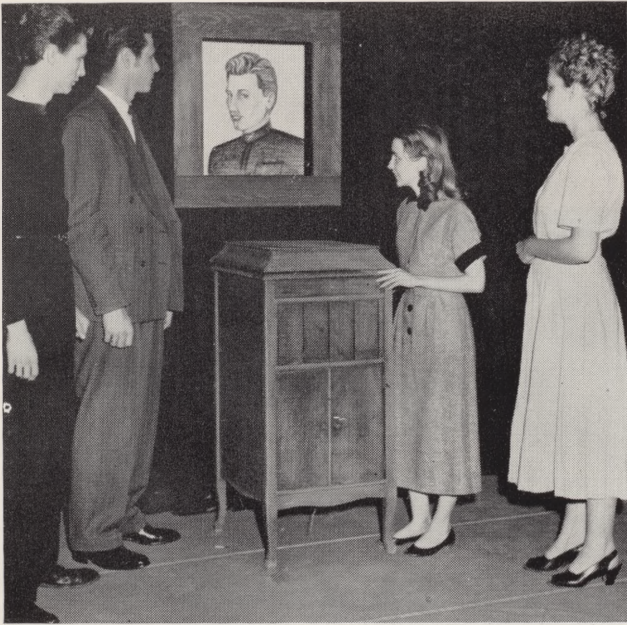

band in 1954

The Arlington State College Band has done its share in adding prestige to the college. It has played expertly at both concerts and athletic events. The Student Body thanks the band for the entertainment it has brought them during the past year, and congratulates them on the success they have had in performing before the public.

clubs...

To carry out a well balanced life, a college must have CLUBS. There are clubs of all kinds on the campus—professional, social, honorary, departmental—each helps in its own way to give students a chance to develop socially as well as mentally.

sans souci

OFFICERS

- JO CAROL JONES *President*
 KAYE DUNCAN *Vice-President*
 DIANE JACKSON *Secretary*
 SHIRLEY EBERLY *Treasurer*

Sans Souci comes from the French idiom meaning "Without a care." The club is one of the oldest social clubs on the campus. The primary purpose of the club is to promote friendliness and good will among its members and on the campus. Girls elected to membership are known for their good sportsmanship, personality, and genuine likeableness.

FOR YOUR THOUGHTS!

There's one  that buys more than most   --and that's the penny you spend for electric service! For instance, you can  six large rugs for one cent's worth of electricity. And just one penny buys the power to wash three  of laundry! Like to sew? You can  for five hours on one  worth of electric power. In fact, every time you pay your electric bill  you're paying for a  of comfort, work-and-time-saving help, and pleasure. Yes, electric service is a real friend . . . always ready at the flick of a  and so low in cost that you must agree: It's the Biggest Bargain in the family budget!
