the Campus...*

EDITOR'S FOREWORD

With the passing of another glorious year at Arlington State College, I have tried to recreate in the following pages of this year's Reveille the wonderful spirit in which we, the students, live.

I hope that in future years as you look through your personal copy of the 1952 Reveille you will be able to relive the wonderful days spent on the A. S. C. Campus, through the pictures of your teachers, fellow students, and administrative officers.

I want to personally thank the Annual Staff, the faculty, and the students for the wonderful cooperation that I have received in planning and making this book available to every student of A. S. C.

DEDICATION

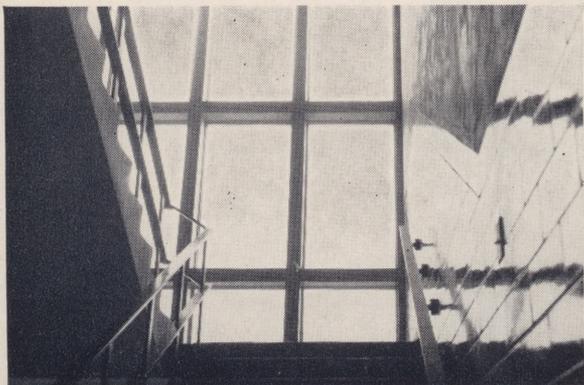

We of the Annual Staff wish to dedicate the 1952 Reveille to Miss Zelda Ramsey, who has for the past 26 years taught, planned, and worked with the students of Arlington State College.

In dedicating the 1952 Reveille to Miss Ramsey the staff wishes to thank her for all the wonderful work that she has done for the students and college in her 26 years of faithful service.

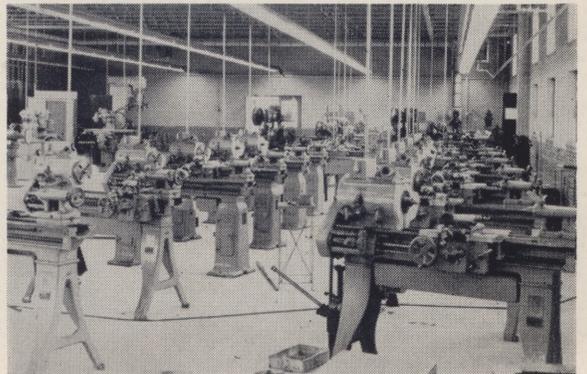

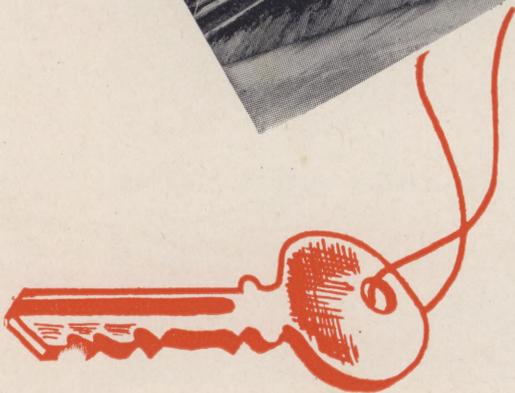

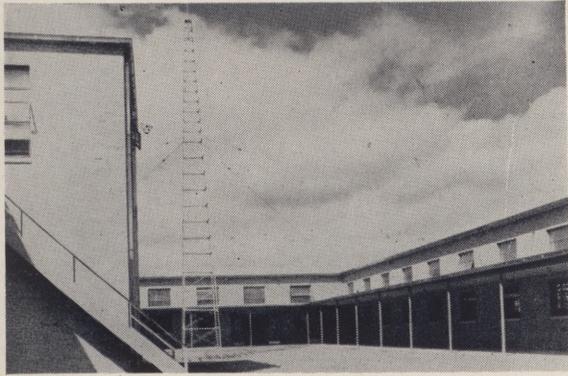

May you, Miss Ramsey, always have the happiness and joys that you have so graciously earned in your teaching career at A. S. C.

The year by year advancement and growth of Arlington State College, as reflected in each succeeding issue of the REVEILLE, is a source of pride and gratification to us all. Some reshaping of the organization of the College during the past year by President Hereford and his staff, together with the construction of some needed new buildings, have brought us nearer our goal and paved the way for still other improvements in the future.

My congratulations to Arlington State College, to its faculty and students, and particularly to the staff of the REVEILLE, for the fine job you are doing in your respective fields. Together you are making progress. All of us in the Texas A. and M. System are proud to be associated with you.

GIBB GILCHRIST

President
E. H. Hereford

I wish to congratulate the Editors of the REVEILLE on the presentation of this excellent book. The volume portrays the activities at Arlington State College in a most accurate and complete manner. I am sure it will bring pleasure and information to the group at this time and will serve to recall fond memories in the years to come.

The Coronation

The Queen is Crowned

THE CORONATION

This year, as in the past, the Coronation has been the most important event on the social calendar. The King and Queen, and their court, are elected by popular vote of the Arlington State College student body, and they represent the leading all-around students of the school. Visiting royalty from the surrounding colleges and high schools are presented during the coronation. Representatives of all clubs, departmental Who's Who, and their dates or escorts are also summoned to the court. Following the coronation, a ball is given for the Royalty, with the King and Queen having the first dance. This event has been proved the most popular occasion of the school year.

... A POLE, WIRES and a TRANSFORMER

Symbols of Your Modern Electric Service

- A pole like this, a transformer and a set of wires like these deliver electric service to your home. They bring you the comforts, convenience and all-around better living that electric service makes possible.

Yet this pole and wires are only a small part of the network of electric wires that bring power into your home from our six large steam-electric generating stations. Behind your electric service is the combined efforts of nearly 2,000 skilled men and women. They work around the clock to keep your electricity always ready — always on the job for you. Good electric service doesn't "just happen."
